AT HIGHWAY 160 AUTO RECYCLING OUR CUSTOMER SERVICE SETS THE STANDARD

Call or click today and find out why we are the source for quality recycled auto parts.

Nestled in the heart of Ozark Mountain country, Highway 160 Auto Recycling has been providing top quality recycled auto parts since 1984. Family owned and operated, we have the parts and customer service to meet every automotive need. In addition to our extensive line of recycled parts, we offer a full line of new radiators and a/c condensers in stock for quick delivery.

All recycled parts carry our standard 90 day warranty, with warranty upgrades available up to 12 months including labor coverage.

Please take advantage of our online inventory search that can be accessed from this page. You can check part availability and pricing with just a few easy clicks.

If you need an engine, transmission, or axle assembly we've got that. What about doors, fenders, bumpers, headlamps and tail lamps? You can find it all here. If you don't see the part listed that you need, give us a call and we'll put our two nationwide part locating networks to work for you. Thank you for your business and we look forward to serving you.
